Elegantly appointed Villa's, the largest in French Polynesia are designed for discriminating traveller's seeking St. Regis' distinctive service and amenities, including the brand's signature St. Regis butler service.

Protected by a unique saltwater lagoon, the property is exquisitely designed with interiors of rich, exotic woods in its one, two and three-bedroom overwater and Beach villas. There are a total of eight luxury overwater villas with private Jacuzzis on expansive outdoor decks. There are also five two-bedroom overwater villas, which have

private swimming pools, built over the lagoon - a first in French Polynesia.

Nestled on the gentle sands of the beach are 11 one-bedroom beach villas, also with private outdoor Jacuzzis and two two-bedroom villas each with private swimming pools. Set on a secluded cove on the beach's pristine white sand, the Royal Suite is more than 8,000 square feet, featuring three bedrooms, a private swimming pool, Jacuzzi, steam room and sauna.

Guests will enjoy a variety of indoor and outdoor dining options, including a signature overwater fine dining restaurant with breathtaking views of a colorful array of fish in the lagoon below. The resort will feature a main pool with a swim-up bar and a romantic adult pool that offers private day beds. Additional water activities include unparalleled reef and deep-sea fishing and the only catch & release fly fishing in a stocked lagoon on the island.

The 12,000 square-foot world-class Spa is located on an island in the lagoon offering Tahitian and Balinese treatments using natural herbs and tropical extracts from the Island for an unforgettable and sensual experience.
