Map and More Information

Ideal time to visit:

December to May

The coral islands of the Maldives have a tropical climate with abundant rainfall and moderately high temperatures throughout the year. The period from November-April is hot and dry, while from May-October, the sea is rougher and the humidity increases. Rains tend to be heavy, but to pass quickly.

Currency: Rufiyaa (MVR)

The USD is widely accepted

| Days Rain | 03 | 01 | 01 | 03 | 09 | 17 | 14 | 12 | 10 | 11 | 08 | 04 |

Special Experiences in Maldives

DIVING: The Maldives is famed for its rare underwater beauty and has some of the best dive sites in the world due to high levels of visibility and warm temperatures throughout the year. Most resorts have professional dive schools with multi-lingual instructors and conduct courses for beginners as well as the advanced.

SNORKELING: Experience some of the most incredible underwater life on our planet. Consider a guided snorkel trips on some of the spectacular reefs in the Maldives. Many excursions can be accompanied by the resorts resident marine Biologist to enrich your marine experience.

FISHING: Fishing is the lifeblood of the Maldivian economy. Try your hand at Traditional Maldivian Hand Line Fishing at night or sunrise. Or for Big Game Fishing spend a thrilling day out on the Indian Ocean while trying to catch the local big boys such as sailfish, tuna and Wahoo.

WHALE & DOLPHIN WATCHING: The Maldives ranks among the top five places on earth for watching whales and dolphins, with over 20 different species, a quarter of the world's total. . These range from the mighty blue whale, the largest animal alive to the diminutive but highly acrobatic spinner dolphin. Best time

KIDS CLUBS: Not all resorts are suitable for kids, but the ones that are, go all out and the kids will have a wow of a time. Elegant Resorts & Villas can advise on resorts suitable for all in the family.

SURFING: Firmly on the world's top surf map, there are locations for all surfing standards and it is possible to find a wave at most times of the seasons for beginners to the serious. While the resorts offer the opportunity surf their exclusive waves or those that are located nearby, charter boats allow access to more breaks and a greater array of waves.

TABLES & LABELS: For such a remote destination the quality of F&B is astounding. Restaurant underwater, overwater, underground and on the beach create exotic backdrops for romantic dining experiences. The wine cellars also are seriously impressive with endless list of old and new world wines.

ROMANCING: The options are unlimited, let your imagination run wild and unlock his wallet! Escapes to a Desert Island for a few hours, a private dinner under the stars, a romantic sunset trip just for you and your partner on a traditional Maldivian sailing Dhoni with Private Skipper.

SPA-ING: Seriously stunning spas in seriously amazing locations; Over-water and under-water! The standard of the Spa's in the Maldives are world class and no holiday is complete without a Maldivian Spa Experience.
