

## COCO PALM BODU HITHI

### *Natural Beauty*

Built in traditional village style, Bodu Hithi is situated on a stunning, lush private island where sandy pathways snake between the mangroves and coconut palms.

The one hundred Villas and Residences, all with private pool, are contemporary with tropical inspiration. Situated on the beach and overwater, every Villa offers indulgent bathrooms with designer's fixtures and branded amenities.

The 44 Island Villas are scattered along the beach front, capturing splendid sea views and an ocean breeze. Outside, the private court yard with pool, open air shower and day bed, is a haven for lounging and dining. Step inside for more indulging; the bathroom with the central bathtub and views to the ocean is difficult to resist.

The Water Villas and more distant Escape Water Villas, both with king size beds also boast spacious outdoor decks for lazing, tanning or cooling in your private pool.

The resorts ultimate Escape Water Residences, are located away from the main Island in an area offering seclusion, exclusivity and privacy. An over water Restaurant and bar are exclusively dedicated to the suites and butler services is offered round the clock.

Each thatched roof villa boasts a style that incorporates modernity with a hint of traditional Maldivian. Beautifully furnished in natural earthy tones, they come complete with private pool, private split level deck and pavilion, spacious indoor and outdoor lounge areas, indulgent bathroom, indoor and outdoor showers, four-poster bed and uninterrupted views of the ocean at every turn.

Back to the main island, enjoy unforgettable treatments at the overwater Coco Spa or sumptuous cuisine at one of several beachside restaurants. In villa dining is available for those who have found paradise on their own private sundeck.
