

TAJ EXOTICA RESORT & SPA, MAURITIUS

Peace and Bliss

Taj Exotica Resort & Spa, Mauritius, sits on Tamarin Bay, on the island's west coast, a position that affords sensational views to Mt Tamarin and the spectacularly jagged mountain peaks to the south.

The resort's design is a unique fusion of Indian, African and Arabic elements. Stone archways divide the lobby and bar from the outdoor terraces, the 'Cilantro' restaurant has rustic timber doors, obelisk shaped pillars support vaulted timber roofs and Moorish motifs adorn metal window screens and hanging lanterns.

Each villa and suite is a spacious haven, with an ultra large terrace so guests can make the most of sunny days and balmy evenings in the privacy of their own surrounds. The 65 villas have private plunge pools with day bed, dining and lounging area with a lush garden beyond.

Luxury suite villas have a separate living room, while all the accommodation has spacious indoor and separate outdoor showers. Inter-connecting villas and suite-villas are ideal for holiday friends and families, while two pools are certainly better than one!

Two 345 sq m Presidential Suites take pride of place at the centre of the resort's crescent beach. The living room's wide, glazed doors open to an infinity pool, offering views of the ocean and the peak at Tamarin in the distance. Sun lounges and shaded, fan-cooled seating areas allow guests to take full advantage of the suite's superior location and views.

The stunning Taj Spa is housed in its own pavilion with a water courtyard surrounded by expansive gardens and reflection pool. Treatments embody the ancient healing wisdom of India such as Ayurveda, yoga and meditation.

Taj, the Resorts & Palaces group has a long tradition of service excellence which you will discover from your Villa Butler, available for each villa, 24 hours a day...
