

ONE&ONLY LE SAINT GÉRAN

Authentic Mauritian Charm

The One&Only Le Saint Geran is one of Mauritius' legendary establishments and has welcomed generations of travellers, celebrities and Royalty to its sun-drenched peninsula on gorgeous Belle Mare.

62 suites of French colonial design and one villa nestle in 10 hectares of tropical gardens and a lush grove of coconut trees. Every suite is a sanctuary of sumptuous comfort, blending authentic Mauritian charm with stylish amenities. The suites have a private terrace or balcony facing either the ocean or the bay.

The 14 Ocean suites have separate lounge, private dining room and two secluded terraces leading off the master bedroom. Each suite has the services of an attentive and discreet personal butler on hand 24 hours to coordinate special requirements.

Families will have plenty of room in an Ocean suite and a connecting junior suite, or take over the stunning two-bedroom villa with a team of valets, butler and chef constantly on hand. The Villa, reminiscent of a classical island home, is hidden in a peaceful corner of the estate boasting expansive views of the Indian Ocean over a private swimming pool and spacious terrace.

Golfers have the choice of a 9-hole Gary Player-designed course on the property itself, or the 18-hole Le Touessrok course located on Île aux Cerfs, close by.

One&Only Spa is a body temple with an enticing range of treatments to groom both men and women top to toe.

The 'KidsOnly' club has its own pool and teens can plan activities with the assistance of the sports staff.

The resort's signature restaurant "Spoon des Îles", serves dishes created by Alain Ducasse and the cuisine is said to be the finest and most innovative in the Indian Ocean.
