

FREGATE ISLAND PRIVATE

A Private Island Home

Frégate Island Private: Just sixteen villas and seven powdery beaches lining the azure Indian Ocean. Frégate Island's mission is to protect its outstanding natural beauty, fragile environment and its rare species while allowing guests to share the privilege. Restricting the number of guests to a maximum of 40 at any one time ensures that an exclusive and intimate atmosphere prevails.

The villas are scattered amongst the coconut groves, carefully positioned to ensure maximum privacy and set on a cliff above Anse Victorin, one of the world's most beautiful beaches.

These stylish villas, constructed of native mahogany with thatched cathedral ceilings have a spacious sundeck with private pool, dreamy daybed, Jacuzzi with a private sala and two outdoor showers.

Wining and dining is a fabulous affair; the island dining experience provides a choice of sensational outdoor locations; the beach, tree house or the plantation, all served by your private butler. For authentic Creole cuisine dine in the colonial Plantation House or elegant Frégate House, which celebrates the fine art of creative and refined international cuisine. The Wine Cellar is a venue for tastings and private dining options.

For a serious pampering session, head to the Rock Spa perched on a cliff-top plateau. Enter through a granite canyon, flanked by freshwater pools and cascading waterfalls for sublime views. The Rock Spa celebrates the island's unique surroundings and embraces all elements of nature.
