

CONSTANCE LE LÉMURIA RESORT PRASLIN ISLAND

Serious and Sophisticated Relaxation

An impressive resort located on a peninsula at the very northwest tip of the lost Paradise of Praslin, the second largest of the Granitic Inner Seychelles Islands.

Constance Lémuria Resort and Golf course is spread over 150 hectares. Lush tropical Seychellois gardens surrounds 96 guest suites, set in clusters, that front two splendid white sand beaches, just 15 metres from the shore. The comfortable contemporary interiors are fashioned from timber, marble, stone and pink granite in harmony with their surrounds.

Eight two-bedroom villas, serviced by a "Villa Master", are ideal for families, groups of friends and golf lovers.

The heart of Lémuria is the dramatic Balinese style pavilion which shelters the restaurant and bar area, raised on stilts and overlooking a cascading waterfall which tumbles down to an inviting three-tiered swimming pool. An area ideal for sunning.

Serious and sophisticated relaxation is available at the Spa. Luscious tropical fruit body scrubs and wraps and an array of massages, including hot stone, aromatherapy, are offered.

The resort offers the Seychelles' only 18-hole golf course, complemented by a modern French restaurant, two tennis courts, a small gym, and scuba diving school; the shallow reefs here teem with exotic fish.

Lémuria Resort is just a short drive from the Vallée de Mai. You can easily spend a half-day walking the shaded tracks of this exotic plant sanctuary, once believed to be the Garden of Eden.
