Luxurious three bedroom apartment centrally located in Venice with views, approx 80 square metres over 2 levels

Features:

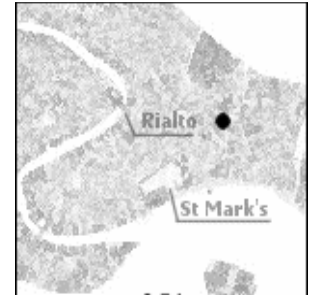

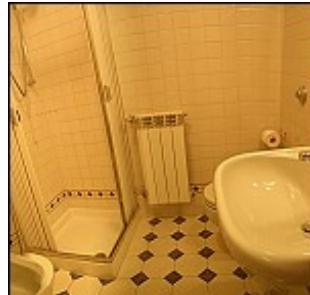

- a large living-room with spacious sofas; in a cooking corner there is a well equipped kitchen with microwaves oven; 4 windows with nice views
- two double bedrooms, both with windows, a nice bathroom with a spacious shower
- another room with twin beds and a dormer window on the higher level and a lounge corner at the same level
- TV - dishwasher - burners - refrigerator with freezer - iron - ironing board - microwaves - washing machine
- independent prestigious self catering apartment close to Rialto Bridge
- newly restored - parquet on the floor - original wooden beam ceiling
- autonomous heating
- fourth floor (USA fifth floor) no problem of 'acqua alta' (high tide)
- All windows offer you a large views on Venetian roofs

Considering the particular location of the apartment, it is prepared just 'under the roof'. For this reason there are short steps and a small entrance to go to the room with a dormer window. We suggest this room only for young adults.
