

INTERCONTINENTAL FIJI GOLF RESORT & SPA

Contemporary Luxury on White Sands

If you love contemporary, indoor-outdoor living spaces and great eating places, InterContinental Fiji Golf Resort & Spa has been designed for you.

Located on two kilometers of white sandy beach at Natadola Bay, a 'world's best beach' and protected by a coral fringed aqua-blue ocean, is the InterContinental Fiji Golf Resort & Spa.

Spread over 35 acres of tropical gardens with five restaurants and bars, a serene spa, 18 hole championship golf course, four swimming pools, kids club, wedding pavilion and conference facilities, the InterContinental Fiji Golf Resort and Spa defines "tropical retreat" for those seeking relaxation and rejuvenation.

Featuring 271 superbly appointed rooms and suites, the Pacific Island design is inspired by the traditional 'Fijian outer island' village. Contemporary rooms and suites, generous in size, flow through to your private terrace, some just steps from the beach; featuring the signature Cleopatra-style deep soak tub, day bed for two and BOSE surround sound. Light contemporary interiors and luscious bathrooms create a space difficult to leave.

Club InterContinental, a resort within the resort including private pool and lounge area, offers 55 hilltop villas, many of which feature individual plunge pools and spa baths.

 55 mins

A comprehensive range of leisure and recreational activities are available for all ages. No less than five restaurants and bars complement an extensive range of modern dining options. InterContinental Fiji has four swimming pools, including an adult-only infinity-edged pool, family activity pool, an on-site dive centre, a full gym and fitness centre. Spa InterContinental with its nine treatment rooms is a serene nurturing indulgence in a floating oasis.

Whilst Mum is being pampered, kids can enjoy their own mini resort at Planet Trekkers: the kid's club split into two age groups, three to seven and eight to twelve.

The Natadola Bay Golf Course alongside InterContinental Fiji is the country's first international competition standard course. With 15 of its 18 holes hugging the Coral Coast, and up to five different tee-off stages per hole, the course's stunning location will provide a forgivable distraction to its many challenges.

The Wedding Chapel takes full advantage of the view and is an ideal venue for a wedding in Paradise.
