

ROYAL DAVUI ISLAND RESORT FIJI

Private Island Bliss

Couples seeking a boutique, private island experience with absolute privacy and a plunge pool will adore Royal Davui Island Resort.

Royal Davui is one of the Fijian archipelago's tinier islands. Perched atop a living barrier reef and fringed by white sand beaches and sapphire waters, the island rises steeply on two sides creating vantage points for spectacular views over Bega lagoon.

Just 16 "vales" are cleverly positioned along the cliff top with splendid views of the surrounding reefs and distant isles. Snaking pathways, amidst lush tropical and colourful gardens, lead to your private retreat, one you will not want to leave.

Your front door opens to soaring cathedral ceilings and open plan living. A private residence atmosphere of two spacious rooms; your living room and bedroom-bathroom. The bathroom boasts an irresistible Jacuzzi positioned under a roof that opens to reveal sunny Fijian skies or evening stars. Wall to wall French doors beckon to your spacious sun deck and plunge pool. Dine outdoors and dip in the pool. Revel in the seclusion whilst taking in the views, trade wind breezes and sounds of the ocean.

At the heart of the resort and overlooking the Bega Lagoon is the alfresco dining area shaded by the canopy of a majestic Banyan tree. All meals are served in the Banyan Restaurant, on one of the private dining decks or if you prefer in your vale. Fresh local seafood and organic fruit and vegetables from Beqa Island are specialties.

For snorkelers, divers and marine lovers Royal Davui is paradise. Bega Lagoon is renowned for offering a wide variety of dive sites and marine life within the one lagoon. All dive sites are within 30 minutes of the resort with some being accessible direct from the beach.

Royal Davui Spa pampers with delicious Pure Fiji products (think tropical massages with exotic oils, raw sugar scrubs and body butter) or an array of treatments can be enjoyed in the privacy of your vale.

Royal Davui Island Resort accepts a maximum of 32 guests at the resort at any one.

Royal Davui is reserved for those over 16 years.
