

VOMO ISLAND RESORT

Where Heaven Meets Earth

Vomo Island is a magical paradise of verdant tropical gardens, plantation style palm trees and lush vegetation fringed by white sand sun drenched beaches and surrounded by a clear warm tropical sea.

Steps from the beach is your spacious and beautifully appointed villa, placed between the palms and frangipani trees or elevated on the hill-side with stunning panoramic ocean views.

Vomo Island Resort's villas embody natural elegance and style each spacious, air-conditioned, private, decorated with tropical flowers and replenished daily with fresh local fruit. The extended sun deck features relaxing reclining sun-loungers and an al fresco dining setting perfect for private dining. Step inside to a cool contemporary bedroom -living area adjacent to the bathroom from where you can soak up the island serenity from the privacy of your spa.

Friends and families may consider the four bedroom private "Residence" by Vomo or three bedroom Royal Villa. Located at either end of the beach, they are designed, built and furnished to the highest of standards and carefully positioned to provide the combination of seclusion and stunning panoramic views within easy access to the resort's facilities. The Residence is a private enclave of three separate pavilions, private pool, enchanting tropical gardens and incredible outdoor relaxation areas. The personalised service of your Vomo Butler caters for your every need.

Activities abound at Vomo: Enjoy the nine-hole golf course. Dive into the depths of the South Pacific Ocean teeming with sea life or snorkel the reefs filled with vibrant coral colours and tropical fish. Get grounded with hiking over the hill or visit a nearby local village, where you can connect with the Fijian way of life. Or if you prefer let gentle hands massage your cares away in the island's day spa or simply relax by the pool. Whilst there is no kids club, children are warmly welcomed and the Vomo team tailor activities accordingly.

Exceptional cuisine forms an integral part of the Vomo Island experience. Vomo serves the finest Pacific Island produce, with a focus on succulent seafood fresh from the sea and fruit and vegetables that taste of the sun, all served with exceptional wines.

For a bird's eye view of paradise take the helicopter transfer over the island and reefs, an easy 15 minutes from Nadi International Airport.
