

MATANGI PRIVATE ISLAND RESORT FIJI

A South Pacific Hideaway

Nestled on the white sand beaches of a horseshoe shaped bay, wrapped around a lagoon of pure aquamarine and blended with the verdant colours of the rainforest is the enviable setting of Matangi Private Island. Surrounding islands are also truly beautiful with stunning coves, breath-taking waterfalls, remote villages and secluded hiking trails.

Inspired by authentic Fijian architecture , generously spaced and scattered within lush tropical gardens, Matangi offers nine individual beachfront and ocean view bungalows, three tree house bures and one villa overlooking the beach and ocean, all handcrafted from local materials and each different from the other. All bures feature spacious sleeping and living areas, king size beds, day bed, ceiling fans, mini bar and private veranda. To retain a natural atmosphere, free of modern distractions, there are no plasma's or air-con. High thatched roofs, ceiling fans and sea breezes cool the bungalows.

The bures blend into their natural surroundings; the beachfront bures feature indoor showers and outdoor lava-rock showers. The Tree Houses have a large bathroom with couple sinks, outdoor lava-rock showers and open air spa bath. The Villa Matangi features two indoor showers as well as outdoor lava rock-shower.

The resort has undoubtedly one of the finest beaches in Fiji and is a perfect location for intimate weddings and celebrating significant occasions. Island fine dining at a special location of your choice can be arranged and decorated to suite the occasion.

Matangi Private Island Resort offers a wonderful variety of activities and explorations; snorkelling, scuba diving, sailing, kayaking, windsurfing, water-skiing and light tackle sport fishing. Discover private beaches and a visits to Taveuni Island . Hikers will enjoy the scenic trail along the coast and the steep climb to the summit of the island for spectacular views. Light tackle sport fishing in this region is exceptional as is the diving. Matangi Private Island Resort is the most centrally located of all the northern resorts to the exceptional scuba diving sites for which Fiji is famous.

You will not resist a retreat to the massage and spa bure for delicious treatments using traditional Fijian products such as coconut oils infused with pineapple and Matangi's most fragrant flowers of Frangipani to set your body clock on Fiji time!
